Chief's Bonnet, Fall 2017

Brothers,

There are only two more weekends left in 2017, and your lodge leadership are working on making them great. The Fall Service Weekend and Fall Fellowship are going to be filled with the kind of fun you know and love from Nawakwa Lodge. We would love for you to come to these events and have a great experience but before you do, ask a friend to come with you - a member of your troop who has not gotten his brotherhood; a fellow adviser who has been inactive for a while; a friend in Scouting who has yet to experience another Service Weekend since his Ordeal. When it comes to our events, we certainly believe in saying "The more the merrier."

If you are interested in serving at the lodge or chapter level, don't be afraid to reach out to your chapter chief or the chairs of the committees you are interested in. Their email addresses are located around the website and these youth are eager to have you become a part of their teams. If you would like to serve but are not sure where, you may reach out to me personally at lodgechief@nawakwa.org and I can help you find your niche. We want you to serve our lodge and help make it better than ever before.

Yours in WWW,
Kyle Hoffmann

We have a We Support Camping initiative in the Nawakwa Lodge. All proceeds go to support Camp Scholarships for Cub Scouts, Boy Scouts and ScoutReach programs, through the Nawakwa Lodge OA Campership Program. This is an initiative of Camp Promotions. Collections are made at check-in for Service Weekends and Fall Fellowship, or you can round up your purchase at the Trading Post.

Thank you for your support!

2018 Conclave

NOAC 2018, July 30 - August 4 @ Indiana University

2018 NOAC
 National Order of the Arrow Conference
 Indiana University, Bloomington, IN
 July 30, 2018 through August 4, 2018

The 2018 National Order of the Arrow Conference (NOAC) will be held at Indiana University in Bloomington, IN from July 30th to August 4th, 2018. NOAC brings countless opportunities for

Arrowmen to learn best practices to bring back to our lodge, participate in training, and most importantly... to HAVE FUN! There are exciting games, sports, nightly shows, and all sorts of other activities for Arrowmen to experience.

We are expecting to have a large number of interested members from Nawakwa Lodge wanting to attend NOAC 2018. To begin, our lodge has received a modest number of slots for the Conference. NOAC has instituted a strict 3:1 youth to adult ratio for all lodges nationwide. The number of delegates allowed is also set by NOAC. For NOAC 2018, Nawakwa Lodge has an allocation of 36 participants, or 27 youth and 9 adults. Note that NOAC staff members register separately and their numbers do not affect our lodge quota. We will be able to request additional delegate slots, but we will not know how many (if any) will be given until January 2018 (additional delegate slots will still maintain the 3:1 ratio).

So with such a small quota of adult slots, lodge leadership will review all applications, select both youth and adult participants through an equitable selection process involving the review of each application. While we sincerely wish that we could take everyone who is interested, we must work within our given allocation. A waiting list will be compiled for those youth and adult members who are not initially selected should a slot open up or the lodge be granted additional slots. The goal of the selection process is to ensure the youth and adult delegates selected are those that can best serve the Nawakwa Lodge contingent and the lodge upon returning home with new skills and resources.

Please complete the Nawakwa Lodge 3 NOAC 2018 Contingent Participant Application, by 11:59 PM EST October 15, 2017. This application will help us select the youth and adults who can contribute and serve the contingent during NOAC and the lodge after NOAC with their skills and resources. Answer all of the questions as completely as possible and click the submit button at the end of the application when you are complete. You will receive a copy of your submission by email when you have successfully completed the form.

Application can be found on Double Knott at

<http://scoutingvirginia.doubleknot.com/registration/calendardetail.aspx?ActivityKey=2214545&OrgKey=1640>.

The total cost for Nawakwa Lodge NOAC Contingent participants is expected to be between \$900.00-\$950.00 including National's NOAC fee, transportation, lodging food and contingent swag. Currently, the Nawakwa NOAC Contingent plans to leave Cub Adventure Camp very early Sunday morning July 29th, stop at Kings Island Amusement Park in Mason, OH for a day of fun on the way to NOAC, and return the night of August 4th. You will be informed if you have been selected by October 31, 2017. A non-refundable deposit of \$100 will be due within one week of the date you are notified. Should your deposit not be paid within that time period then your delegate slot will be forfeited.

The committee will also be putting together plans to raise funds to reduce the cost for youth participants. The final cost to each participant will be determined prior to the event after

fundraising has been completed and trip logistics are finalized. Your \$100.00 deposit will then be credited toward any future balance. If a deposit is submitted and you are unable to join our contingent, then any money paid will be refunded.
