## Are We Doing Our Part?

In the past months some major changes have been happening at our local Heart of Virginia Council camps. There's been a change in the Council Camping Director which may lead to some changes in our yearly camping program.

However, none of this changes the duty we Arrowmen have to promote long term camping to the troops in our Council and to troops from other Councils we come in contact with. Is it not our goal as an organization to encourage all Council troops to attend Camp T. Brady Saunders for their long term camping experience? We, as members of the Order of The Arrow, should be contacting each troop in our districts, setting up dates to go speak to those troops, and presenting programs to promote the choosing of our Council's camp for their long term summer camp program. Furthermore, we should be informing them of the Winter and Spring Break merit badge camps that are being held at the Heart of Virginia Boy Scout Reservation

during the rest of the year.

Let's all get together and honor one of the most important things our lodge stands for—CAMPING. Granted, I don't live in this Council's geographic area (I live in northern Virginia), but I work here every year at the Summer Camp as Business Manager, and I know from my own personal experience that the troops who come to Camp T. Brady Saunders, whether from Heart of Virginia, National Capitol Area, or any other Council, benefit greatly from the fantastic program that is presented by our great staff each year.

So, when you're talking to your fellow Arrowmen, ask them how many troops they've contacted and/or spoken to about our council camps. Also, make a pledge to take it upon yourself to help out any way you can in getting the word out that the place to be for camping year-round is at the Heart of Virginia Scout Reservation. 🦋

My Brothers:

I'd like to start off by thanking you for a great year in 2011. It is in no small part because of each of your actions that Nawakwa Lodge earned National Quality Lodge once again. I would especially like to thank everyone who was involved in putting on the Conclave, Fall Fellowship, or any of our three outstanding service weekends.

Still to come this year is our lodge's annual service project at the Byrd Park Carillon on December 22 & 23. This project is a great way to provide service to the community and it's a whole lot of fun too.

I hope you're all planning to attend the GW/Jefferson Trail Crew project. It's a wonderful way to help give back to the forests and parks we all enjoy camping and hiking in. Also, I hope to see you at NOAC this summer. It's never too early to sign up for this incredible conference.

Again, thanks for a wonderful year, and I look forward to working with you to help Nawakwa continue to be a shining example of cheerful service in action.

Yours in Service,  
Allen Crump

# Adviser's Minute

Brethren,

Congratulations for an outstanding Nawakwa year! Your active participation and support qualified Nawakwa Lodge as a National Quality Lodge for our 34th consecutive year. This program will change January 1, 2012 to align with BSA's Journey to Excellence format. The new format will evaluate the performance of our lodge and assess opportunities for continuous improvement. The new criteria will be released in late November or early December, 2011. There will also be a new Chapter Journey to Excellence program. This will be a major topic at NOAC 2012.

You can celebrate this very successful Nawakwa year by giving cheerful service to the annual community Christmas Pageant at Byrd Park's Carillon on December 22nd [6:00--8:30 PM] and December 23rd [6:30-8:30 PM]. Our job is to hold and change the sets for each act of the pageant. This is done outside on the second floor of the Carillon in partial darkness so be sure to dress for the weather, bring a flashlight and gloves.

I hope by now you have registered to attend GW/Jeff National Forest Trail Project on March 30--April 1 and NOAC July 30--August 4. These two great adventures merit your thoughtful consideration and participation. It is not too late to answer as Uncas did and turn in your application to go.

If you are interested there are four other high adventure programs available in 2012. Information and applications will be available in December on line at [www.aa-bsa.org](http://www.aa-bsa.org). [Philmont OA Trail Crew; OA Northern Tier Wilderness Voyage; OA Northern Tier Canadian Odyssey and OA Ocean Adventure]

My Brethren, I thank each of you for all that you have done and will do in the future for Scouting and The Order. Truly our council fire burns brighter due to your active participation in the Brotherhood of Cheerful Service. You are Nawakwa.

May the Peace and Joy of this Holiday Season be yours today and throughout the New Year.

In W.W.W.,  
Mack Ruffin

## GW/Jefferson Trail Crew to End Trail this Spring

The third and final GW/Jefferson Trail Crew project is right around the corner. On March 30<sup>th</sup> through April 2<sup>nd</sup> our Nawakwa Lodge, with the help of 100 of our fellow Arrowmen, will complete the trail that we began three years ago.

For anyone who attends there will be great food, a highly commemorative collective restricted lodge flap, and the never-ending satisfaction of a job well done. This year, as an added bonus, any arrowman who attends all three of the trail crew projects or any arrowman who has been at least once before and brings a scout who has not been before will receive a special recognition.

To register for the Trail Crew fill out the registration form from your Tom-Tom or receive a form online at [www.nawakwa.org](http://www.nawakwa.org). You need to be at least 14 by March 30, 2012 to register for this event.

In order to raise funds for this project we are selling exclusive G/W Jefferson Trail Crew Lodge flaps. The flaps are \$5 dollars each and can be purchased at the Scout Shop or at the March Service Weekend, while supplies last. The funds from the patches will all go towards purchasing the tools and supplies needed for the project.

To make this event happen we need at least 100 youth to attend, so please register today. With your support this service project will truly be a living legacy. 🐿

Vigil Honor, Nawakwa Lodge

For information on the Nawakwa Lodge #3 Dance Team or to request a performance or Arrow of Light ceremony, please visit their website at:

[www.nawakwadancers.org](http://www.nawakwadancers.org)

# Vigil Honor

The Vigil Honor, conferred annually as a national recognition upon OA members, is a high mark of distinction reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions and noteworthy service to others through the OA and Scouting. Membership cannot be won by a person's conscious endeavors. The Vigil Honor was first bestowed upon E. Urner Goodman by the Unami Lodge in 1915. Lodges nominate Brotherhood members for the Vigil Honor according to specific national requirements, with nominations limited according to lodge size and a balance between youth and adult members. Those members whose lodges' nominations have been approved by the National OA office are inducted during a special overnight ceremony, and are bestowed with a name of honor translated in both a Native American/American Indian language as well as English. The National OA office issues a Vigil Honor certificate recognizing this honor with the honoree's given name and the Vigil Honor name in both translations.

*The following youth were awarded the Vigil Honor at the 2011 Fall Fellowship. Below their names are their new Lenni Lenape names with English translations.*

# Founder's Award

The nationally recognized Founder's Award was created and presented at NOAC in 1981 as a means to honor and recognize those Arrowmen who have given outstanding service to their lodge. The award is reserved for an Arrowman who demonstrates to fellow Arrowmen that he or she memorializes in his or her everyday life the spirit of achievement as described by founder E. Urner Goodman and cofounder Carroll A. Edson.

Steve Hutchinson

At the Fall Fellowship, Nawakwa Lodge awarded the Founder's Award to three brothers: Andy Spicknall (left), Chris Bonelli, and Richard Brett.

## James E. West Fellowship

James E. West was the first Chief Scout Executive and served in that position for more than three decades. The West Fellowship award is available for gifts of one thousand dollars or more to the Council Endowment Fund. This is one of the best ways to ensure that the Heart of Virginia Council can continue to offer outstanding programs and grow to meet the needs of the youth and communities that it serves. Nawakwa Lodge #3 gave its first James E. West Fellowship in 1999. The 2011 recipient of the James E. West Fellowship is Jim Richards.

### Carillon Service Project

December 22 6:00–8:30 PM &  
December 23 6:30–8:30 PM

Mark your calendars to provide your support and help on both evenings. This is the Lodge's only annual community service project, so it was wonderful to see such a great turnout. The Carillon, located at Byrd Park in Richmond, was the site of the Richmond Christmas Pageant where we assisted with moving scenery sets and props as well as assisting with crowd control. We will be trained on the 22<sup>nd</sup> and will serve on the 23<sup>rd</sup>. Of course, we plan to participate in our traditional celebratory donut stop afterwards!

### National Forest Project Seeking Participants

There are still spots open for Nawakwa's Washington/Jefferson National Forests trail crew service project on March 30 – April 1. Event and registration information can be found online at [www.nawakwa.org](http://www.nawakwa.org).
